Contact Telephone Number	
Is the applicant: A non-profit organisation, A registered charity (Please supply your charity number) Intending to apply for a charitable status, Individual, Or Other (please state)	Intending to apply for a charitable status
What are the aims and objectives of the application (Mission Statement)? Or of you as an individual	90% of our life-saving equipment is provided by the ambulance service, excluding uniform and defibrillators. We are looking to replace a large amount of the defibrillators we carry on our persons when on call and at events, as well as public access defibrillators in which we service on a monthly basis.
If you are applying on behalf of an organisation, please give details of your organisation's membership and the geographical area the organisation covers / draws its membership from	We are volunteers for the ambulance service, covering the community in which we live and work. Most of the responders live in Raunds and we cover the majority of the council's events.
If you are applying on behalf of an organisation is the organisation's membership restricted in any way?	No
The amount that you are applying for (£)	A defibrillator costs in the region of £1000. However, we are applying for £500 if the hope we can put this towards the purchase of this piece of equipment
If successful, who should the cheque be made payable to?	East Northants First Responders
If successful, where should the cheque be posted to?	

How would the grant be used? Please give details of a specific project / event:	The purchase the equipment required to perform our role as CFR's, mainly the replacement of defibrillators (on person and public access)
How will this grant benefit the local community? E.g. supporting older residents, or promoting musical or sporting excellence.	This will enable us to provide life-saving care to those living within the local vicinity should it ever be required.
Have you, or do you intend to apply for grant support or have you been refused a grant from any other source? Please list:	We have applied for various grant due to the sheer cost of the defibrillators and volume of that we need to replace
Please can you supply some background information about the Project (Include leaflets, brochures, etc.)	N/A. I/we would be more than happy to attend a private meeting to explain the circumstances and explain what we do in more detail should be beneficial
Please advise the proportion / number of beneficiaries of the project living in Raunds	Entire population - we get dispatched to any patient who calls 999. We are ready to assist any member of the public who requires help at any council-run event
Will there be an opportunity for media coverage? (Press release / photo call)	Press release, social media and local papers we would be more than happy to arrange/assist with
Evaluation Report (Please use separate sheets if necessary)	N/A
