28th August 2024

Dear Sir or Madam

NOTIFICATION OF WORKS A14 Eastbound Junction 13

I'm writing to let you know that we'll be carrying out essential Embankment works on the A14 approximately 250m from the start of the eastbound exit slip road at Junction 13.

During our scheme of work we'll:

- Strengthen and stable the embankment on the eastbound verge to help with stability and allow free draining of surface water.
- Replace drainage system.
- Carry out vegetation works.

When will the work take place?

Work is due to start on **2 September 2024** and is scheduled for completion by **mid-October 2024**.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To keep our programme for these works as short as possible and to minimise disruption to the local community, residents, businesses and road users, we'll work under a full eastbound carriageway closure between Junctions 12 and 13 from **8pm** until **6am** on **Monday** to **Friday**.

During these closures a fully signed diversion route will be in place, which has been agreed with the Local Authority.

How will the work affect businesses and residents?

We'll make sure that access to businesses and residences is maintained wherever possible.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Contact us

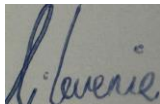

If you have any questions or if you would like further information about this work, please contact our **Public Liaison Officer**, as follows:

- Email: EMcomms@amey.co.uk

Alternatively, you can contact our National Highways Customer Contact Centre as follows:

- Email: info@nationalhighways.co.uk
- Telephone: 0300 123 5000

Yours faithfully,

Chloe Levenie
