The developer of the above site has requested I contact Raunds Town Council with regards to new street names. The site is the former Northdale Farm and it would be preferable if we could have names associated with the area. One of the names as marked on the map is Northdale Green and we could keep that as a road but it could be that we would require 7 or 8 new names.

Looking forward to hearing your suggestions.

Diane

Hi Diane,

We are about to start works at the above site. Would you be able to issue the street naming for us? The site is Phase 2 of the kier site.

Please let me know if you need any further information.

Kind Regards
