

## Raunds Town Council

### The Council Chamber

The work has now been completed. We hope you agree that the result is stunning!

The council are conscious that The Hall is a public building and we would like to see as many members of the public accessing the building as possible. We are very pleased that a recent visit from the Northamptonshire County Council Registration Service has confirmed that the Hall is a suitable wedding venue. If you are interested in looking at the Hall as a wedding venue for 2016 do call in and see us and we would be delighted to show you the room.

As well as for Weddings, the Chamber is available for a variety of functions and has already been used for a 90th birthday tea!

### Raunds Neighbourhood Development Plan (RNDP)

Raunds Town Council has now launched its consultation on the Neighbourhood Plan. The consultation will run from 19th October - 1st December 2015 and we would welcome your comments on the plan!

The plan deals with issues such as housing types, protecting our open space, improving our High Street, defining the main employment areas and designates community buildings and heritage sites in the town.

Please have your say on the important issues that affect Raunds. The plan can be downloaded from [http://raunds-tc.gov.uk/Neighbourhood\\_Plan.aspx](http://raunds-tc.gov.uk/Neighbourhood_Plan.aspx) or you can call into the Town Council Offices or the library for a hard copy.

So **PLEASE** do take part in the consultation it really will make a difference to your area.

### Ock 'N' Dough

The Mayors charity event on 10th October was a great success with over 50 people attending to support The Fire Fighters charity. Ock 'N' Dough band were on form and managed to get everyone up and dancing. Thanks to Steve and his team at Raunds Fish Bar for the very tasty meal, another thanks also goes to Sandeep at Booze4less who provided the drinks for the bar at a great price. The Mayor would like to make a very special Thanks to Michelle Bates and Russ Eady for the help they provided throughout the day and evening, the event would not of been possible without them. All in all it was a great success raising a lot of money for charity.

### Christmas is coming!

29th November is our Christmas lights switch on event, and we have a really fantastic event lined up for you this year! We have run a children's drawing competition, the winning entry is being made onto a Christmas Light Motif and we are theming the whole event around the winning entry.
