Subject: Raunds Festival of Transport.

Dear Kate,

On behalf of the Raunds Festival of Transport, we seek permission to use the curved steps at the front of the Town Hall for a motor cycle display on 31st August 2019.

There will be a TTO on the roads around the square, but we would like to use the car park by the bus stop for Disabled Parking.

We have asked for the use of Bassfords Recreation Park on the same day for vehicle parking and will also have 3 children's amusements, up to 20 specialist vehicles, including a Fire Engine and 4 small static steam engines. This area will be marshalled at all times.

Finally, can we confirm the use of the 'Road Closed' signs, bin, litter pickers and cones.

As this is in aid of the Childrens Air Ambulance, we hope this may be allowed free of charge.

Kind regards

Bill.
