

A new and romantic venue for civil weddings and partnerships

Enjoy an intimate wedding in Raunds at the Town Hall's Council Chamber

Say your vows in this elegantly refurbished room, available for hire for civil ceremonies and partnerships, and share the special moment with up to 50 guests.

The Chamber, which dates back to 1871, provides the perfect mix of history and contemporary and guests are invited to celebrate the special occasion with drinks and canapes in the Mayor's Parlour or beautiful gardens.

For couples wanting to wed and party in proximity the adjacent Saxon Hall is also available to hire, catering for up to 200 guests and providing the perfect place to relax pre-wedding and celebrate post-ceremony.

Located in the Town Hall grounds, the Saxon Hall has a beautiful terrace area looking out on to the gardens – a perfect spot for photographs.

We supply tables and chairs, our site supervisor can help with all your logistics and you can access the room ahead of your big day to ensure all your finishing touches are in place.

For small intimate ceremonies the Mayor's Parlour is available for ceremonies for up to 18 guests.

"Such a special day and the perfect venue. We said our vows in the Council Chamber, had a glass of bubbly in the gardens and then walked just a few metres to the Saxon Hall, where we held an amazing reception and party for all our friends and family. We enjoyed sunshine on the terrace and used the beautiful gardens as the backdrop to our wedding photos. A perfect day."
